About Me

I'm Vivek, an undergrad at Maharana Pratap Engineering College, Kanpur. Proficient in Java, I've applied my skills in web development projects using HTML and CSS. As a video editor, I bring a creative edge to problem-solving. Eager to learn and contribute, I'm excited about the opportunities ahead and ready to blend my technical and creative skills in a dynamic environment.

Work & Projects

- Design an E- Bookstore website design using HTML CSS.
